'Uniting Communities Through Sport'

## Community Newsletter April 2019

Welcome to our new look community newsletter!

The community team have been very busy out and about so far this year, so we have lots to tell you!

### New Team Member

New team member Clare Black joined us as Community Engagement Manager in February. Clare has been very active in Batley volunteering for More in Common and is a member of Batley Community Choir, she has many local connections and is looking forward to getting stuck in. She will be out and about in the community and you will see her at game days, if you want to say hello and have a chat about what's happening in the community.

### New Website Page

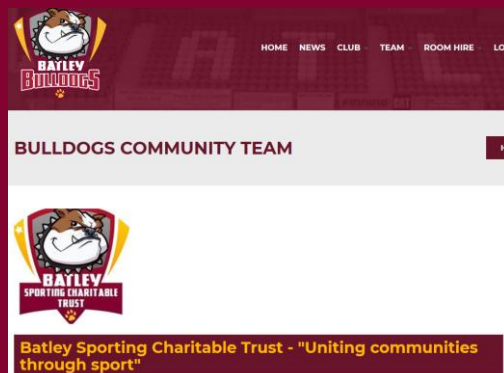

The Community Trust now has a new webpage! You can find everything you need to know about our Community Team, including who's who, our vision, community gym and upcoming projects. You can find the new page here:

[www.batleybulldogs.co.uk/community-team](http://www.batleybulldogs.co.uk/community-team)

### Sport in the community

Sharaz has been down to the Royal Voluntary Service with indoor curling and walking rugby taster sessions, giving people access to new sports and movement which was enjoyed by all. There are plans in progress to do more sessions and take this out to the wider community.

Fox's Mission Active has continued to visit schools throughout Batley & Spen, with new schools coming on board this term. These fun sessions are designed to show children that exercise is not only healthy but great fun too!

## More in Common 'Sporting Heroes' Partnership Project

We have teamed up with More in Common Batley & Spen, Batley Boys ARLFC & Batley Cricket Club on a new project designed to bring children together from all background and different sports. Children will get the chance to take part in different sports and other activities, getting to know each other and working together, showing their achievements in pre-match and half time displays at the Jo Cox Memorial Rugby Game 16th June. All children will receive a free 'Sporting Heroes' t-shirt for taking part. Look out for updates on social media about this.

## Fox's visit

We visited our sponsor and partner Fox's biscuits to give an update on community work impact and 2019 projects. Fox's supports the Trust with important community work such as Try Fit and Mission Active, as well as keeping our energy up with a supply of their wonderful biscuits! We thanked Fox's by presenting them with some signed branded 2019 balls. We are pleased that Fox's will continue to support us through 2019.

## Easter Holiday Camp

We still have places available on our Easter Holiday Camp, which is running 24<sup>th</sup>, 25<sup>th</sup> & 26<sup>th</sup> April in Easter Half Term. Look out for details of Summer Holiday Camp coming up in the next few months!

To stay updated, follow us on social media or if you would like further information email us:
